

Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner proposed amending claim 2 by replacing "having" with "of" in line 3; amending claim 4 line 2 by replacing "said" with "the"; amending claim 5 line 2 by replacing "said organic polymer is" with "the polymer colloidal particles are" and amending claim 6 line 2 by replacing "said" with "the". Attorney granted authorization for entry of these proposed examiners' amendments. Attorney also requested that amendments be made to claims 3-6 which replace "Clam" with "Claim". The examiner agreed to include these additional amendments with the examiner's amendment..
